

# ACBI OFFERS A **FOUR-YEAR DEGREE**

**ACCELERATED COLLEGE OF THE BIBLE INTERNATIONAL** is excited to announce our four-year degree program culminating in the **BACHELOR OF APPLIED SCIENCE IN BIBLICAL EDUCATION** with a double major in Bible and education. This is an impressive addition to our flexible college program. Students are able to continue their education while gaining real-world experience through fieldwork and specialized training.

## ACBI IS:

### CONVENIENT

- ▶ At a time when many educational institutions are migrating to some form of online delivery, ACBI was designed from its inception to use blended distance learning.
- ▶ Prior Learning Assessment (PLA) provides adult learners a flexible, efficient way of earning college credit for knowledge acquired outside the confines of regular college courses.

### FLEXIBLE

- ▶ A generous credit transfer acceptance policy is offered.
- ▶ Students can be full- or part-time.

### AFFORDABLE

- ▶ Seven scholarships can be combined to give a significant savings on tuition, including one specifically with the adult learner in mind.
- ▶ Opportunities exist to participate in a work-study program at the A.C.E International Corporate Offices in Hendersonville, Tennessee.
- ▶ Yearly tuition will not increase during a student's two- or four-year program.

### AUTHORIZED

- ▶ ACBI is authorized by the Tennessee Higher Education Commission.

The mission of Accelerated College of the Bible International is to train students to become effective, innovative educators and youth leaders. Our desire is to reach the world in this generation through trained Christian leadership. Together we can help your students and your staff reach their educational goals.
